

You are one step closer to becoming a Tyro customer. Tyro is here to help simplify payments and business banking for you. To give you the freedom to focus on doing what you love – providing the best experience to your customers.

To help with the process, the checklist below contains the information we require to establish you as a Tyro customer. Depending on your entity structure or circumstances, further information/documentation may be required.

Checklist

Clear copy of a current Driver's Licence or Passport. Signature on the document must match with signature on the Application Form (certified copy may be requested)

Copy of Account Statement for the Linked Account (or Welcome Letter if bank account newly opened)

- Must be issued within the last 3 months
- Account must be in the "same legal name" as the entity applying

Your Overseas Tax Obligations/Information section in the application form to be completed in full

Proof of Business Footprint linking the business to the Trading Address
